Equipment Checkout Log Template

Track the asset, borrower, expected return, actual return and condition without an account or registration.

Single handoff

Field	Value
Handoff / borrower	
Out / expected back	
Actual handoff / sign-off	

Items and accessories

Asset / accessory	Out qty	Returned qty	Condition	Open issue

Continuous checkout ledger

Handoff / asset	Borrower / out	Due / actual return	Status	Unresolved / next action

Use one record for each checkout. Keep past transactions when an item is borrowed again.
